Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A discloses aggregate year-to-date totals for contributions received from other political committees which appear to be incorrect. Please be advised that federal regulations require itemization of all contributions received from other political committees, to include aggregate year-to-date totals for contributions which are received during the calendar year. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.
